15 hl/ha

Vinification :

Non chaptalized - Maceration 20 days - Aged in barrils and demi-muids -
Bottling in june 2016.

Certification :

Bio

Also exists in Magnums

DEGUSTATION :

From a parcel with a more fat land, the blend of pinot noir (85 %) and gamay (15 %), aged in barrels with moderated punchings, give a very expressive red. The ripe fruit, almost candied (note of fruits puree, sometimes an orange touch), associated to flowers and spices (liquorice) flavours. The material is both tightened, fine and melted, and the minerality express through a salted touch. The marriage of gluttony and complexity signs the terroir of Cheverny the best of himself.
